

**IGNOU-NIELIT collaboration**

**Free Skill Development program (Artificial Intelligence, Cyber security, Internet of Things (IoT), Web Development, Data Analytics, and Android App Development) for the students of IGNOU in NIELIT Srinagar**

\*\*\*

The Ministry of Electronics & Information Technology (MeitY), Government of India, has sanctioned a major skill initiative project titled "Skill Development for Digital J&K & Ladakh. The project aims to train the aspiring youths across the Union Territories of Jammu & Kashmir in high-demand digital technologies. The initiative offers free, NSQF-aligned training programs in the areas such as Artificial Intelligence, Cyber security, Internet of Things (IoT), Web Development, Data Analytics, and Android App Development, focusing on enhancing employability and digital inclusion. Initially to start with, NIELIT Srinagar would be starting the training in NSQF Level 3 course titled **"Cloud Computing Assistant" with Course duration 300 Hours, Mode of delivery Online (40%) /Offline (60%), Eligibility 10<sup>th</sup> Pass, batch intake capacity Min 30 participants**

**Deliverables from NIELIT will be**

1. Free of cost training would be imparted at NIELIT Srinagar with state-of-the-art infrastructure
2. Every enrolled student will be provided free study kit supporting both theoretical and practical learning
3. Job Readiness Program featuring aptitude assessments, soft skills training, mock interviews, and personalized mentoring
4. Free job fairs will be organized in collaboration with industry
5. National Level certification to successful candidates
6. Industry interaction
7. Hostel facility (on chargeable basis)

The initiative directly aligns with national missions such as Digital India, Skill India, and the National Education Policy (NEP) 2020, and contributes positively to institutional goals related to NAAC, NBA, and NIRF rankings.
