

**This is with reference to the conduct of Term End Practical Examination for TEE
JUNE 2022 session of BSCG (CBCS) of Biochemistry programme of learners
from JULY 2019. In this regard our discipline would like to clarify:**

The term end practical exams of Biochemistry are to be conducted on a similar pattern such as B.Sc Life Sciences or B.Sc Chemistry. Our Lab Courses for Ist yr and IInd yr are BBCCL-102, BBCCL-104 [first semester], BBCCL-106, BBCCL-108, [Second semester] BBCCL-110, BBCCL-112, BBCCL-114 [Third semester], BBCCL-116, BBCCL-118, BBCCL- 120 [Fourth Semester]

The evaluation strategy will be: Guided experiments 70 %, Unguided experiment; 30 %

The lab course is of 2 credits which have to be conducted in a week's time. Right now, the experiments are to be conducted in offline mode.

The details of TEE are as given below are also given in every lab course printed material as well as on egyankosh.

IMPORTANT

- **Attendance** is compulsory in the Laboratory course work held generally at the study centre.
- The Laboratory Course is worth **2 credits** to be completed over **7 days** duration:
 - **6 days** of **Guided** Laboratory work
 - **1 day** for the **Unguided** Laboratory work
- To successful complete the laboratory course you will have to pass (at least **35% marks**) in the Guided and Unguided components separately.

With kind regards,

Dr. Parvesh Bubber
Professor
Biochemistry Discipline, SOS
IGNOU, New Delhi
